### 2023 Dallas PAGA Invitational Sponsorship Form

The P.A.G.A. of Dallas was established in 1953 and is a non-partisan, non-profit, social organization, whose sole purpose is to promote the game of golf. The Dallas Association is a charter member of a National P.A.G.A. organization with chapters in seven states. We are currently one of 41 chapters with over 2600 active members. We honor and recognize our veterans both former and active. We instill in all of our membership fair play, camaraderie, and encourage everyone to promote the game of golf in all skill levels.

We are currently seeking new members in all phases of the game, both men and women of all ages. We also encourage juniors who wish to play with their parents to join.

Our mission is to promote the game of golf for men, women and junior golfers. We strive to be a strong member of the community through scholarship programs and social activities.
